

Noise Action Week is coordinated by Environmental Protection UK who work year round supporting the work of professionals in noise management. It is supported by the Chartered Institute of Environmental Health and Environmental Protection Scotland and, hopefully, you.

**Come along and chat to local agencies!**

**Tuesday 19 May 2015**

**10am - 2pm**

**Swanley Town Centre**

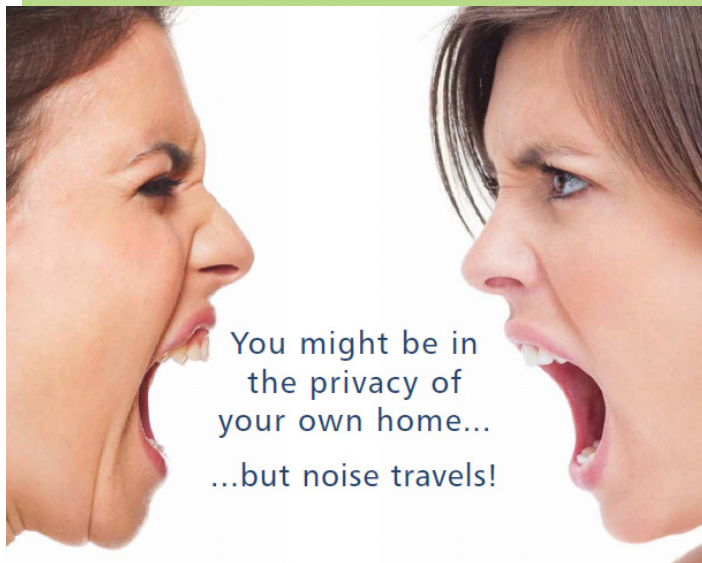

Outside the **WEST KENT** office

**We're 'EAR' to listen**

It might be music to your ears, but to others it's just loud noise

You might be in the privacy of your own home...  
...but noise travels!

HAVE A WORD WITH YOURSELF
